

Attention Bosco Tech Graduate

Students who have successfully completed and passed ALL required academic and technology coursework requirements* may come to Bosco Tech anytime during its hours of operation and pick up their Diploma of Graduation or Associate of Science degree. Students should bring a current picture ID. The diploma will only be released to the graduate. Parents, spouses, Legal Partners, relatives, or friends may not claim the diploma.

*** The Class of 2009 should refer to page 8 of the 2008-2009 Student-Parent Handbook. All other students should refer to the student-parent handbook published during their year of inception with the school or the College Catalog published the year of inception into the college program.**

See the Don Bosco Technical Institute Registrar or Dean of Instruction for more information.
