

## **Disneyland Resort Celebrates High School Seniors with a Magical Graduation Party**

**Anaheim, Calif. – February 2010** – This spring, high school seniors will celebrate the 'end of an era' at the ultimate party of the year: Disneyland Resort's Grad Nite 2010, presented by Honda. On select nights from 11:30 p.m. until the break of dawn at 6 a.m., the "Happiest Place on Earth" becomes an after-dark celebration featuring the hottest dance clubs in town and thrilling attractions.

The Senior Class of 2010 is thrown into an exclusive experience where Disneyland does a complete 180 degree turn from its daily park environment. The night rocks with a unique brand of Disney entertainment, dance clubs and deejays from Southern California's most popular radio stations.

With Disneyland park all to themselves, grads can have one last all-night bash with their high school friends while they enjoy unlimited access to world-class theme park attractions. Adventure and thrills include conquering Indiana Jones Adventure, speeding down the slopes on the Matterhorn Bobsleds, racing through Space Mountain and posing for photos with some of their favorite Disney Characters along Main Street, U.S.A. The "Grad Nite Explosion!," a pyrotechnic show complete with lasers and lights, rocks two times per night to the beat of the best tunes of the year, created specifically for Disneyland Grad Nite.

For seniors eager to get the party started, the Grad Nite "Blast Off" in Disney's California Adventure park can add an extra shot of fun before Grad Nite 2010 begins. This pre-party is two hours of white-knuckle excitement starting at 9:30 p.m., where seniors can launch from zero to 55 miles per hour on the California Screamin' rollercoaster, blast up 180 feet in two seconds on the

Maliboomer or drop into the creepy fifth dimension on the Twilight Zone Tower of Terror.
