REFLECTION ESSAY INSTRUCTIONS:

REFLECTION & EVALUATION

A core component of the Christian Service Program is the reflection that follows the experience. This provides the students time to process the experience of service and to reflect on its impact on their faith and their love and service of others.

Please write a letter to the next coach/tutor

- Describe your experience.
- Give tips and advice to the next coach.
- How did this experience make you a better Christian/person?

Note: If you obtained permission from the Youth Ministry Office to perform your service hours outside of One City, please disregard this form and use the Christian Service Form for the Juniors and Seniors and follow the directions for that essay.

NOTE: Please make a copy for your records

REFLECTION ESSAY INSTRUCTIONS:

A core component of the Christian Service Program is the reflection that follows the experience. This provides student's time to process the experience of service and to reflect on its impact on their faith journey and to the people they served.

Please turn in this form along with a **typed** reflection essay, minimum 200 words, answering **all** of the following questions.

- **Paragraph 1**

Describe your experience (write a brief summary of your role and duties).

- **Paragraph 2 and 3**

Why did you choose this particular service project or experience?

What personal gifts or skills did you bring to this service experience?

How were these gifts and skills enhanced by it?

What did you learn about yourself from this experience?

Would you do a service project like this again? Why or Why not? If not, what type of service project would you like to do instead?

- **Paragraph 4: Conclusion**

NOTE: Please make a copy for your records
