

31ST ANNUAL GOLF CLASSIC

NEW DATE: 9-25-20

New Safe Format!

SAFE AND HEALTHY

Our top priority remains the health and safety of our supporters, yet we also have a responsibility to support our technical educational community. To continue this push, we are moving forward with a new formatted Safe and Sane Golf Classic.

The new Safe and Sane format will remain at Rio Hondo Golf Course and allow for a great golf experience, Breakfast and Boxed Lunch, top level Hole in One awards, and great raffle prizes all in a safe and healthy environment.

Keeping health and safety as our top priority, we will not be having a buffet dinner at the conclusion of the event. Considering this, we will be offering an even lower Early Bird registration cost.
